

TACKLING THE CHALLENGES OF KEEPING IN TOUCH WITH OUR MEMBERS

Statement from the Branch Officers

This is to advise Scotland Branch members the branch chair stepped down from his position towards the end of May and the remaining branch officers, in addition to their usual responsibilities, have been working together to maintain the day-to-day running of the branch.

There was insufficient time for head office in London to arrange to remove the chair's contact details from the most recent issue of *The Pensioner* magazine. CSPA General Secretary Sally Tsoukaris was informed accordingly, along with the chair and vice chair of the national Executive Council.

An emergency Scotland Branch officers meeting was subsequently held via Microsoft Teams on

Wednesday 28 May for discussions regarding the short- and long-term plans for the future of the branch.

Special meeting

Under the circumstances, it was decided that the next members meeting – to be held in The Griffin, 266 Bath Street, Glasgow, on Thursday 4 September at 1.30pm – will now be held as an Extraordinary General Meeting, as stated in the Branch constitution: “The Branch Officers may, at their discretion, call

Our 4 September meeting is to be an Extraordinary General Meeting

an Extraordinary General Meeting at any time.”

The meeting room can be accessed through the bar or via a door on Elmbank Street, for those members who require pavement access.

We hope as many members as possible will be able to attend this very important meeting. If you would prefer to attend virtually via Microsoft Teams, please contact Michael Kirby, Membership Secretary (contact details at the bottom of this page).

Please note that the position of Scotland Branch chair will remain vacant until after the Extraordinary General Meeting takes place, as it will need to be advertised.

Scotland Groups

Sadly, there are no groups operating in Scotland. Should any members wish to consider re-opening either the Glasgow or Edinburgh group, please contact Branch Administrator Christine McGiveron via email: Christine.McGiveron@cspa.co.uk or tel: 07506 315826.

Members Meeting November 2025

This will be held in The Griffin pub, 266 Bath Street, Glasgow on Thursday 6 November, commencing 1.30pm. An invitation will be sent to the Glasgow Children's Hospital Charity to attend, as they bring Christmas cards and gifts not

available in high-street shops. Please come along, but if you cannot manage, and are able to attend virtually via Microsoft Teams, please contact Membership Secretary Michael Kirby (contact details at the bottom of this page).

The importance of a will and Power of Attorney

Creating a will ensures that your wishes are respected and your loved ones are looked after when you're no longer here. A will ensures your assets go where you want and allows you to appoint trusted executors. Without one, decisions fall to the rules of intestacy, which

“Putting a will or Power of Attorney in place isn't just a legal formality – it's a gift of reassurance to your family. It gives them clarity and confidence in the future, and ensures your voice is always heard. We're here to make the process straightforward and affordable for CSPA members.”

sometimes excludes loved ones you care about and potentially leads to unnecessary stress or even conflict for your family.

A Power of Attorney is equally important. It lets you appoint someone you trust – your attorney – to make decisions about your finances, property or health if you're ever unable to do so yourself. Without it, loved ones may face long, costly court procedures to gain authority. It's not just for later life, it's a practical safeguard for anyone at any age.

Thompsons advises clients on both:

- **Financial Powers of Attorney** – covering bank accounts, property and more
- **Welfare Powers of Attorney** – empowering your attorney to make health and care decisions in line with your wishes, and directing medical instructions in writing.

We offer a comprehensive and discounted package for Powers of Attorney and complex wills, streamlining the process so that you and your loved ones are fully protected and heard.
